Slot A	Total Marks	Marks Obtained	Class Average Mark
No Tests conducted Attending Internship			

Dear Parents,

Academics Performance:

Currently, Madhav is doing his undergoing internship at Armsoft tech in Ambattur, Chennai. Wishing him good luck to do this semester well and good.

No of core courses completed: 30

Standing arrears till date: 1

Pending core courses: 0

Personal Feedback about the Student:

Madhav is excelling in his academics; however, there is a hope for him to achieve even higher. In order to accomplish this, he must consistently attend his classes and examinations. Motivate him study well and to aim for higher marks in the future exams. I expect and encourage him to participate in symposium, conferences to develop his skills.

Success is not something easily achieved. So, work hard for it and later on enjoy the rewards.

Always remember giving up is a weakness. All the best!!!
